

# That's The Way Love Goes

Iris DeMent

I've been throwin' horseshoes over my left shoulder  
I spent most all my life searchin' for that four-leaf clover  
Yet you ran with me chasin' my rainbows  
I love you too that's the way love goes

That's the way love goes, babe  
That's the music God made for all the world to sing  
It's never old, it grows  
Losin' makes me sorry  
You say, "Honey, don't you worry"  
I love you too  
That's the way love goes
