

Where The Soul Of Man Never Dies

Iris DeMent

To Canaan's land, I'm on my way
Where the soul of man never dies
And my darkest nights will turn to day
Where the soul of man never dies

And dear friend there will be no sad farewell's
There will be no tear-dimmed eyes
For all is peace and joy and love
Where the soul of man never dies

A rose is blooming there for me
Where the soul of man never dies
And I will spend eternity
Where the soul of man never dies

Dear friend there will be no sad farewell's
There will be no tear-dimmed eyes
For all is peace and joy and love
Where the soul of man never dies

I'm on my way to that fair land
Where the soul of man never dies
And there will be no parting hand
Where the soul of man never dies

Dear friend there will be no sad farewell's
There will be no tear-dimmed eyes
For all is peace and joy and love
Where the soul of man never dies

Dear friend there will be no sad farewell's
There will be no tear-dimmed eyes
For all is peace and joy and love
Where the soul of man never dies

Where the soul of man will never die
