## I Think It's Going To Rain Today

**Irma Thomas** 

Broken windows and empty hallways A pale dead moon in a sky streaked with gray Human kindness is overflowing And I think it's going to rain today

Scarecrows dressed in the latest styles With frozen smiles to chase love away Human kindness is overflowing And I think it's going to rain today

Lonely, lonely Tin can at my feet I think I'll kick it down the street That's the way to treat a friend

Bright before me the signs implore me To help the needy and show them the way Human kindness is overflowing And I think it's going to rain today
