

## Get It Out

Iron Butterfly

Woman, woman, you stole my love, I've been had  
Talkin' trash that amounts to nothin', it's sad  
Your nonsense I can do without it  
Complain, hell no, I'm gonna scream about it

Get it out  
Pack it up, get it out  
Get it out

You light the fire when I'm burnin' at both ends  
The way you spread your love is a sin, I can't stand it  
Your nonsense I can do without it  
Complain, hell no, I'm gonna scream about it

Get it out  
Get it out  
Get it out
