

Get It Out

Iron Butterfly

Woman, woman, you stole my love, I've been had
Talkin' trash that amounts to nothin', it's sad
Your nonsense I can do without it
Complain, hell no, I'm gonna scream about it

Get it out
Pack it up, get it out
Get it out

You light the fire when I'm burnin' at both ends
The way you spread your love is a sin, I can't stand it
Your nonsense I can do without it
Complain, hell no, I'm gonna scream about it

Get it out
Get it out
Get it out
