

Lonely Boy

Iron Butterfly

Dedicated to Duneya West

I'm such a lonely boy when I'm not in your arms.

Yes, I'm such a lonely boy when I'm not in your arms.

The only time I hear your voice is on the line,
and then you say, "I hope you're feeling fine baby."
But you know that I'm not!

The only time I hear your voice is on the line,
and then you say, "I hope you're feeling fine baby."
But you know that I'm not!

And that's why.
