

Stamped Ideas

Iron Butterfly

Stay away from people made from plastic in a mold,
And keep your stamped ideas inside your head untold,
Because I, I, I, baby am protecting you,
Yes, against the kind of things that other people do.
I, baby, am protecting you 'Cause I'm in love with you.
So come on baby!

Stay away from people made from plastic in a mold,
And keep your stamped ideas inside your head untold,
Because I, I, I, baby am protecting you,
Yes, against the kind of things that other people do.
I, baby, am protecting you 'Cause I'm in love with you.
So come on baby!
