

## (i Never Get) Winded

Iron Chic

These are the risks I take, this is the life I chose  
And if I make mistakes at least they are my own  
There is no fate but what we make  
And in the end we all terminate  
If we try and make our time worthwhile  
Then we've done alright  
The lights are out the doors are closed  
The end of the show the end of the road  
We can pretend that we don't know  
But we know
