Taken

They will come in the night Sky light up bright They've been here before The black hole is the door Claim the right to test The uninvited guest Losing track of time A universal crime

Blinded by the black A mind control attack Forever a slave to be The truth will set you free

I think I've been taken I might be mistaken The truth will set you free And I'm not faking Taken

Denying all the facts Surveillance all intact The sequence we can't break Transmission kills like the plague

Evil comes in black In time they will attack Before the dawn of days Mankind was meant to face Blinded by the black A mind control attack Forever a slave to be The truth will set you free

I think I've been taken I might be mistaken The truth will set you free And I'm not faking I think I've been taken I might be mistaken But I can't stop shaking And I'm not faking Taken

They grab in my dreams Time stands still while they operate **Iron Fire**
