

Thunderstorm

Iron Fire

In times of darkness
In times of war
The warriors will ride like never before

In search to conquer
The unholy light
The sound of thunder
Will bring us to fight

Black horse ride for me
Into the sky
I will fight until
The day that I die

Thunderstorm
Blows in my mind
The magic spell that
Makes me blind
Thunder storm
One of a kind
The legend that
Wont leave us behind

Thunderstorm,
thunderstorm,
thunderstorm,
thunderstorm

We are fighting the dragon
With fire and steel
Only in blood and pain
The beast will kneel

In death or glory
Immortal we stand
So we will defend
Our holy Land

Black horse ride for me
Into the sky
I will fight until
The day that I die

Thunderstorm
Blows in my mind
The magic spell that
Makes me blind
Thunderstorm
One of a kind
The legend that
Won't leave us behind

Thunderstorm,
thunderstorm,
thunderstorm,
thunderstorm,
thunderstorm,

thunderstorm,
thunderstorm,
thunderstorm,
thunderstorm,
