

Blood Brothers

Iron Maiden

And if you're taking a walk through the garden of life

What do you think you'd expect you would see?

Just like a mirror reflecting the moves of your life

And in the river reflections of me

Just for a second a glimpse of my father I see

And in a movement he beckons to me

And in a moment the memories are all that remain

And all the wounds are reopening again

Ref:

We're blood brothers, we're blood brothers

We're blood brothers, we're blood brothers

And as you look all around at the world in dismay

What do you see, do you think we have learned

Not if you're taking a look at the war-torn affray

Out in the streets where the babies are burned

Ref:

There are time when I feel I'm afraid for the world

There are times I'm ashamed of us all

When you're floating on all the emotion you feel

And reflecting the good and the bad

Will we ever know what the answer to life really is?

Can you really tell me what life is?

Maybe all the things that you know that are precious to you

Could be swept away by fate's own hand

Ref:

When you think that we've used all our chances

And the chance to make everything right

Keep on making the same old mistakes

Makes untipping the balance so easy

When we're living our lives on the edge

Say a prayer on the book of the dead

Ref:

And if you're taking a walk through the garden of life....
