

# Different World

Iron Maiden

You lead me on a path, keep showing me the way  
I feel a little lost, a little strange today  
I think I'll take a hold of whatever comes my way  
Then we'll see what happens take it day by day

I thought I had it all, I had it all worked out  
Just what the future held, that there would be no doubt  
But then the card came up and I took another turn  
But I don't know if it's forever that I run

Tell me what you can hear  
And then tell me what you see  
Everybody has a different way to view the world  
I would like you to know, when you see the simple things  
To appreciate this life it's not too late to learn

Don't wanna be here  
Somewhere I'd rather be  
But when I get there  
I might find it's not for me

Tell me what you can hear  
And then tell me what you see  
Everybody has a different way to view the world  
I would like you to know, when you see the simple things  
To appreciate this life it's not too late to learn

Tell me what you can hear  
And then tell me what you see  
Everybody has a different way to view the world  
I would like you to know, when you see the simple things  
To appreciate this life it's not too late to learn

Don't wanna be here  
Somewhere I'd rather be  
But when I get there  
I might find it's not for me

Dont know what I want  
or where I want to be  
Feeling more confused  
The more the days go by
