

# Doctor Doctor

Iron Maiden

Doctor doctor, please  
Don't you know I'm going fast  
Doctor doctor, please  
Don't you know I just can't last  
She walked up to me and really stole my heart  
And then she started to tear my body apart

Livin' lovin' I'm on the run  
So far away from you  
Livin' lovin' I'm on the run  
So far away from you

Doctor doctor, please  
Don't you know I just can't last  
Doctor doctor, please  
Don't you know I'm going fast  
It's only just a moment  
But she's turning paranoid  
It's another situation for a nervous boy

Doctor doctor, please  
Don't you know I'm going fast  
Doctor doctor, please  
Don't you know I just can't last  
But you look so angry as I crawled across your floor  
She's got the strength, I just can't take any more

Livin' lovin' I'm on the run  
So far away from you  
Livin' lovin' I'm on the run  
So far away from you

Oooh! I'm on the run
