

# Fear Of The Dark

Iron Maiden

1. I am a man who walks alone, and when I'm walking a dark road  
At night or strolling through the park

When the light begins to change, I sometimes feel a little strange  
A little anxious when it's dark

R: Fear of the dark, fear of the dark  
I have constant fear that something's always near  
Fear of the dark, fear of the dark  
I have a phobia that someone's always there

\*: Have you run your fingers down the wall  
And have you felt your neck skin crawl  
When you're searching for the light  
Sometimes when you're scared to take a look  
at the corner of the room  
You've sensed that something's watching you

R: Fear of the dark...

2. Have you ever been alone at night, thought you heard footsteps behind  
And turned around and no one's there  
And as you quicken up our pace, you find it hard to look again  
Because you're sure there's someone there

Sólo

\*: Watching horror films the night before, debating witches and folklores  
The unknown troubles on your mind, and through your mind is playing tricks  
You sense, and suddenly eyes fix on dancing shadows from behind

R: Fear of the dark...

When I'm walking a dark road, I am a man who walks...alone
