

# Judgement of Heaven

Iron Maiden

A lonely cry for help reaching out for help to anyone  
A silent prayer to God to help you on your way  
I've been depressed so long  
It's hard to remember when I was happy  
I've felt like suicide a dozen times or more  
But that's the easy way, that's the selfish way  
the hardest part is to get on with your life

You're searching in the dark  
clutching at straws to find a way  
You take the Tarot cards and throw them to the wind

You question your beliefs,  
your inner thoughts, your whole existence  
And if there is a God then answer if you will  
And tell me of my fate, tell me of my place  
Tell me if I'll ever rest in peace

If you could live your life again  
Would you change a thing or leave it all the same  
If you had the chance again  
Would you change a thing at all  
When you look back at your past  
Can you say that you are proud of what you've done  
Are there times when you believe  
That the right you thought was wrong

All of my life I have believed  
Judgement of Heaven is waiting for me

All of my life I have believed  
Judgement of Heaven is waiting for me

Waiting for me  
Waiting for me  
Waiting for me

(yea yea!)

All of my life now I have believed  
Judgement of Heaven awaiting me  
All of my life now I have believed  
Judgement of Heaven awaiting me

(..yea)

All of my life I have believed  
Judgement of Heaven is waiting for me  
All of my life I have believed  
Judgement of Heaven is waiting for me

Waiting for me  
Waiting for me  
Waiting for me

(yea yea, yeeeee..)
