

King of Twilight

Iron Maiden

Crying in the dark
I've been trying, trying so hard
I've been crying, crying in the dark
Don't forsake me, the time of mine is near
Don't ever break me and the world that brought me here

Sick and lonely, waiting for you
Sick and lonely, wondering what to do
Can you hear me, when I say to you
You give me your hand, I'll give mine to you

King of twilight
When the king of twilight shows me
I will take ten steps to see
Forty leaves I pay for freedom

For a chance to be free
For a chance to be free

When the king of twilight calls you
Take a step and you will see
We all need a quick solution

For a chance to be free
For a chance to be free
Free

When the king of twilight shows me
I will take ten steps to see
Forty leaves I pay for freedom

For a chance to be free
For a chance to be
Free
