

Rainmaker

Iron Maiden

1. When I was wandering through the desert
And was searching for the truth
I heard a choir of angels
Calling out my name
I had a feeling that my life
Would never be the same again
I turn my face towards the Barren sun.

R: And I know of the pain that you feel, the same as me
And I dream of the rain as it falls upon the leaves
And the cracks is our lives
Like the cracks upon the ground
They are sealed and now are washed away...

R1: You tell me we can start the rain
You tell me that we all can change
You tell me we can find something to wash the tears away
You tell me we can start the rain
You tell me that we all can change
You tell me we can find something to wash the tears...

R3: And I know of the pain that you feel, the same as me
And I dream of the rain as it falls upon the leaves
And the cracks in the ground
Like the cracks in our lives
They are sealed and now far away...

R1: You tell me we can start the rain...

sólo

R3: And I know of the pain that you feel, the same as me...
