

# The Rebellion Of Lucifer

Iron Mask

Morning Star, your light has gone  
You can't take over God's throne

Fallen Angel  
From the kingdom of Heaven, you're exiled  
You have lost your holy wings  
now and forevermore  
In a realm of flames and sorrow  
you hide eternally  
Sometimes light turns out in darkness

Now the flesh and blood you rule  
Mortal Kings forever doomed

Fallen Angel  
From the kingdom of Heaven, you're exiled  
You have lost your holy wings  
now and forevermore  
In a realm of flames and sorrow  
you hide eternally  
Sometimes light turns out in darkness

Spoken  
"I will ascend to heaven, I will raise my throne above the stars of God; I will sit on the mount of assembly on the heights of Zaphon; I will ascend to the top of the clouds. I will make myself like the Most High. I will take over heaven. I will be God."  
."

Fallen Angel  
From the kingdom of Heaven, you're exiled  
You have lost your holy wings  
now and forevermore  
In a realm of flames and sorrow  
you hide eternally  
Sometimes light turns out in darkness

Ah-ah-ah-ah-ah-ah  
The rebellion of Lucifer.  
The light fades in the dark  
The rebellion of Lucifer.  
The perfect angel dies  
The rebellion of Lucifer.  
You'll never wear that crown  
The rebellion of Lucifer.  
Now your soul's on fire
