Pick up your sword Pick up your shield Armed and ready for the glorious fight Betrayed and strong til you face death you're founding a land where the mighty roules forever senturies of sleep thousand knights goes down we must find the holy grave Kingdom will fall castels shall burn Morning reaches sun now you will diee! Awalon Welcome to Avalon We are sons of Avalon We born in fire Like the phoenix we will rise Out of the ashes We will die for Avalon The holy sword The glory of the braves Raining power of the mountainlords troops of Avalon We are the troopers of avalon, ready to fight, great and strong Fighting for honour to kill his bad life Like a lonely wolf i have to survive Hanging from a tree the visions i see Formula of life give me strenght to break these evil spells Scaly of our troops, people they crushed dungeons of the holy king Kingdom will rise glory will shine Now will satans pride by fire die Avalon Welcome to Avalon We are sons of Avalon We born in fire Like the phoenix we will rise Out of the ashes We will die for Avalon The holy sword The glory of the braves Raining power of the mountainlords Troops of avalon We are the troopers of avalon, ready to fight, great and strong

the armoured troops of Avalon, defending the king within the eye And with the knights along the wind, will die for the king

the armoured troops of Avalon, defending the king within the eye And with the knights along the wind, will die for the king

the armoured troops of Avalon, defending the king within the eye And with the knights along the wind, will die for the king

the armoured troops of Avalon, defending the king within the eye And with the knights along the wind, will die for the king

The battle rage is on, the devil must be slayed. we shall win this final war.

A kingdom is alive, forever free.

Show now mercy in the name of god!
