

# The Demon

Iron Savior

Silence  
Just the wind and a grave  
Sanctuary  
Where he can be safe

Safe from the shadow  
Devouring his soul  
The haunting delusions  
When the demon was taking control

Lost inside the realm of darkness  
Lost inside the nightmare and the fears  
Nowhere to run to, nowhere to hide  
When the demon takes the mind

Memories  
And a stone with his name  
No more tears anymore  
But the grief remains

I saw him laughing  
I heard him cry  
I saw him suffering  
Tortured by the pain  
I saw him die

Lost inside the realm of darkness  
Lost inside the nightmare and the fears  
Nowhere to run to, nowhere to hide  
When the demon takes...

They say thy will be done on earth as it is in heaven  
The praise your never-ending love for everyone  
God, then tell me - what has been his devilment  
To curse him with your punishment  
I don't believe in you - how could I...

And though the world has been turning  
For those he left behind  
The candles are burning forever  
He'll stay on our mind

Lost inside the realm of darkness  
Lost inside the nightmare and the fears  
Nowhere to run to, nowhere to hide  
When the demon takes the mind

Lost inside the nightmare and the fears  
Nowhere to run to, nowhere to hide  
When the demon takes the mind

Lost inside the realm of darkness  
Lost inside the nightmare and the fears  
Nowhere to run to, nowhere to hide  
When the demon takes the mind
