

Weasel Rock You

Iron Weasel

Rockin' out n hangin' out
That's what I'm all about
I'm in the band and we demand
You hear the weasel shout

We blow up amps cuase we're the champs
And losing all control
We crack loud when there's no crowd
Because that's how we roll

Can't stop rockin' with my boys
Can't stop making so much noise

Weasel rock you
On stage we're wild and crazy
Weasel shock you
Back home we're wild and lazy
Weasel rock you
With a heavy metal smack
Weasel shock you
Weasels comin' back

When we get rough we break to stuff
Like monkeys in a cage
We ain't too bright but that's alright
We never act our age

We won't give up on our dreams
Weasel nation time to scream

Weasel rock you
On stage we're wild and crazy
Weasel shock you
Back home we're wild and lazy
Weasel rock you
With a heavy metal smack
Weasel shock you
Weasels comin' back

It's hard to make a comeback
When we get in our own way
But we'll keep pushing trying plugging
Cause we live to play, yay, yaay

Can't stop rockin' don't know how
Nothing's gonna stop us now

Weasel rock you
Weasel shock you
Weasel rock you
Weasel shock you

Weasel rock you
On stage we're wild and crazy
Weasel shock you
Back home we're wild and lazy
Weasel rock you

With a heavy metal smack
Weasel shock you
Weasels comin' back

Weasel rock you
(Weasel rock you)
Weasel shock you
Weasel rock you
(Weasel rock you)
Weasel shock you
Weasels comin' back

Hold on to your head
Cause Weasel rock you
