

Dead Man's Will

Iron & Wine

Give this stone to my brother
Because we found it playing in the barnyard
Many years ago

Give this bone to my father
He'll remember hunting in the hills
When I was ten years old

May my love reach you all
I lost it in myself and buried too long
Now that I come to fall
Please say it's not too late
Now that I'm dead and gone

Give this string to my mother
It pulled the baby teeth
She keeps inside the drawer

Give this ring to my lover
I was scared and stupid not to ask
For her hand long before

May my love reach you all
I lost it in myself and buried too long
Now that I come to fall
Please say it's not too late
Now that I'm dead and gone
