

## Dead Man's Will

Iron & Wine

Give this stone to my brother  
Because we found it playing in the barnyard  
Many years ago

Give this bone to my father  
He'll remember hunting in the hills  
When I was ten years old

May my love reach you all  
I lost it in myself and buried too long  
Now that I come to fall  
Please say it's not too late  
Now that I'm dead and gone

Give this string to my mother  
It pulled the baby teeth  
She keeps inside the drawer

Give this ring to my lover  
I was scared and stupid not to ask  
For her hand long before

May my love reach you all  
I lost it in myself and buried too long  
Now that I come to fall  
Please say it's not too late  
Now that I'm dead and gone
