I Just Don't Know What to Do with Myself

Isaac Hayes

I just don't know what to do with myself Don't know just what to do with myself I'm so used to doing everything with you Planning everything for two And now that we're through I just don't know what to do with my time I'm so lonesome for you it's a crime Going to a movie only makes me sad Parties make me feel as bad When I'm not with you I just don't know what to do Like a summer rose needs the sun and rain I need your sweet love to ease all the pain I don't know just what to do with myself I don't know just what to do with myself Baby if your new love ever turns you down Come back I will be around Just waiting for you I don't know what else to do Like a summer rose needs the sun and rain I need your sweet love to ease all the pain I don't know just what to do with myself I don't know just what to do with myself Baby if your new love ever turns you down Come on back I will be around Just waiting for you I don't know what else to do No no no I don't know what else to do I'm just so crazy for you No no no no I don't know what else to do I don't know whaaaat else to do
