

# Let Me Love You

Isaac Hayes

Just let me touch, let me hold  
Let me feel, let me lose control  
Let me taste, let me savor  
What I've been so hungry for, my only flavor

Let me roar from so much pleasure  
Just let me soar to heights no one can measure  
With all my heart, all my mind  
All my body and all my soul  
Let me love you, let me love you  
Please let me love you

Let me live with you please, please let me stay  
Let me wake up beside you everyday  
Let me treat you with kindness and respect  
Let me eradicate for your vocabulary  
The words 'Abuse' and 'Neglect'

Let me bathe you at the end of your workday  
And when dinner is over and the dishes are put away  
Let me remove every stitch and every thread  
I'll start with your feet, your toes on your head

Let me traverse your peaks and valleys  
Your bright boulevards and your dark valleys  
Let me play in your lush meadows  
Your glistening stream, in and out of the shadows

Let me give you the ride of your life  
Even if it involves the whole night  
You see, with all my heart, all my mind  
All my body and all my soul  
Let me love you, let me love you  
Let me love you, please let me love you
