Hot town, summer in the city Back of my neck getting dirty and gritty Been down, isn't it a pity Doesn't seem to be a shadow in the city All around, people looking half dead Walking on the sidewalk, hotter than a match head But at night it's a different world Go out and find a girl Come-on come-on and dance all night Despite the heat it'll be alright And babe, don't you know it's a pity That the days can't be like the nights In the summer, in the city In the summer, in the city Cool town, evening in the city Dressing so fine and looking so pretty Cool cat, looking for a kitty Gonna look in every corner of the city Till I'm wheezing like a bus stop Running up the stairs, gonna meet you on the rooftop But at night it's a different world Go out and find a girl Come-on come-on and dance all night Despite the heat it'll be alright And babe, don't you know it's a pity That the days can't be like the nights In the summer, in the city In the summer, in the city [Instrumental break] Hot town, summer in the city Back of my neck getting dirty and gritty Been down, isn't it a pity Doesn't seem to be a shadow in the city All around, people looking half dead Walking on the sidewalk, hotter than a match head But at night it's a different world Go out and find a girl Come-on come-on and dance all night Despite the heat it'll be alright And babe, don't you know it's a pity That the days can't be like the nights In the summer, in the city In the summer, in the city
