## Use Me

**Isaac Hayes** 

My friends feel it's their appointed duty They keep trying to tell me All you want to do is use me Ha, ha, but my answer, ha, ha Yeah, to all that use me stuff Is I wanna spread the news That if it feels this good getting used Oh, you just keep on using me Until you use me up Until you use me up My brother, sit me right down And he talked to me, ah-ha He told me, ah-ha That I ought not to let you just walk on me And I'm sure he meant well Yeah, but when our talk was through I-I-I said brother, if you only knew You'd wish that you were in my shoes You just keep on using me Until you use me up Until you use me up Oh sometimes, it's true you really do abuse me You get in a crowd of high class people And then you act real rude to me But oh baby, baby, baby, baby When you love me I can't get enough I-I and I, wanna spread the news That if it feels this good getting used Oh, you just keep on using me Until you use me up Until you use me up Talking about you using me But it all depends on what you do It ain't too bad the way you're using me 'Cause I sure am using you To do the things you do Ah-ha, to do the things you do
