## **Great Is Thy Reward**

I was hungry and you gave me to eat I was thirsty and you gave me a drink I was naked and you clothed me again I was a stranger and you took me in And they said Lord when did we do These righteous things for You And He said brothers you must help each other If you wanna make it through In as much as you've done to the least of these You've done unto Me There is no small service in the eyes of the Lord Great is thy reward, great is thy reward I was imprisoned and you came to me there I was sick and you showed me you cared By doing these things that I've asked you to do You'll inherit the kingdom that's awaiting you And they said Lord when did we do These righteous things for You And He said brothers you must help each other If you wanna make it through In as much as you've done to the least of these You've done unto Me There is no small service in the eyes of the Lord Great is thy reward, great is thy reward In as much as you've done to the least of these You've done unto Me There is no small service in the eyes of the Lord Great is thy reward, great is thy reward
