

# When A Broken Heart Heals

Isaacs

V:

You can't get over what's been said  
You don't even want to get out of bed  
Right now you're hurt and hope is gone  
And the night so long  
It goes on and on ..

Chorus:

When a broken heart heals  
It beats that much stronger  
It loves that much deeper  
It learns to give  
And with every tear, it's closer to mending  
And scars aren't just marks of a fighter,  
Who didn't just lay down and die  
When a broken heart heals..  
When a broken heart heals

V2:

All you want to do is just move on  
Fast forward time till the pain is gone  
You're praying God when will it end  
And you wonder,  
If you're ever going to feel again  
But you will again

Chorus repeat ...

And with every tear, it's closer to mending  
And scars aren't just marks of a fighter,  
Who didn't just lay down and die...  
When a broken heart heals ..  
When a broken heart heals ..
