

Just Can't Let Her Go

Isac Elliot

I've been hypnotized
by bright red candy lips
and angel eyes
I know that it ain't right
her pretty comes with pain
my hand are tied
...oooo

I want her everybody wants her
she knows it eh eh eh
I want her but I better run away
cuz I know oh ooh

She's so mean but
I kinda love it
Just Can't Let Her Go
I so whipped she deserves a medal
She's a tempting animal
spends too much and
I never tell her no

Drives me nuts and she got me
but the throat she's so mean
but I kinda love it and I just cant' let her go!

La la laa la la laa la la laa oh
La la laa la la laa la la laa
la la laa and I just Can't Let Her Go
La la laa la la laa la la laa oh
La la laa la la laa la la laa
la la laa I just Can't Let Her Go !

Breaks a billion hearts
I know I'm next in line
but I don't mind
...oooo
I want her but I better run away
she knows it eh eh eh
I want her but I better run away
cuz I know oh ooh

She's so mean but
I kinda love it
Just Can't Let Her Go
I so whipped she deserves a medal
She's a tempting animal
spends too much and
I never tell her no

Drives me nuts and she got me
but the throat she's so mean
but I kinda love it and I just cant' let her go!

La la laa la la laa la la laa oh
La la laa la la laa la la laa
la la laa and I just Can't Let Her Go
La la laa la la laa la la laa oh

La la laa la la laa la la laa
la la laa I just Can't Let Her Go !

Just one more time
Just one more time
Just one last time
Just one last time

She's so mean but
I kinda love it
Just Can't Let Her Go
I so whipped she deserves a medal
She's a tempting animal
spends too much and
I never tell her no

Drives me nuts and she got me
but the throat she's so mean
but I kinda love it and I just cant' let her go!

La la laa la la laa la la laa oh
La la laa la la laa la la laa
la la laa and I just Can't Let Her Go
La la laa la la laa la la laa oh
La la laa la la laa la la laa
la la laa I just Can't Let Her Go !
