

Sweet Talk

Isac Elliot

Yeah
What's up girl
Sweet, sweet talk

I eat your words like sugarcoated candy
And they go down, down, down
I cannot fight this magical connection
Spin me around, round, round

You should know I don't throw round
Words like these to steal a kiss
Oh can't you see
How to explain it's not a game
Yeah what I say, it ain't to play
You got me, you got me

Sweet, sweet talk, sweet talk
Don't let it go to waste
You and me it's real
I know you love the taste of my sweet talk, sweet talk
That is the sugar that you need
Yeah, my sweet talk, sweet talk
Ooooh oooh

Do you feel the beat when I kiss you
It's like a symphony
And you're the one who's playing with my heart strings
I sing your melody

You got me hooked with just one look
I swear you'll be the death of me
Girl can't you see
I'm in so deep
I cannot keep my head this time
You should be mine, woah

Give me it all
All the honey I can handle
I want it all
Cause just a drop makes my heart pop

Sweet, sweet talk, sweet talk
Don't let it go to waste
You and me it's real
I know you love the taste of my sweet talk, sweet talk
That is the sugar that you need
Yeah, my sweet talk, sweet talk
Ooooh oooh

Your smile is like molasses
I can barely stand it
How do you get me so damn hooked like that
Or is this how you planned it
I feel like a running rabbit
I just got to have it
When you don't say my name like that
I got into panic

Sweet, sweet talk, sweet talk
Don't let it go to waste
You and me it's real
I know you love the taste of my sweet talk, sweet talk
That is the sugar that you need
Yeah, my sweet talk, sweet talk
Ooooh oooh
