

Hereditary

Isaiah Rashad

8 AM in the mornin' I be sippin' on the Henny
You been lookin' for the wrong one, wrong one, wrong one
Ain't thinkin' bout your love I be shittin' on your feelings
And you be lovin' on the wrong one, wrong one, wrong one

My daddy taught me how to drink my pain away
My daddy taught me how to lease somebody
My daddy taught me how to smoke my loaf and go
My daddy taught me you don't need nobody
So one time for the caged bird
And one time for the real niggas
And slow dance on the Jäger
And one time for the little niggas

8 AM in the mornin' I be sippin' on the Henny
You been lookin' for the wrong one, wrong one, wrong one
Ain't thinkin' bout your love I be shittin' on your feelings
And you be lovin' on the wrong one, wrong one, wrong one
