

Hallways

Islands

Waiting to get to your room
Hallways
Always waiting, feels like I've been waiting for days
In these hallways

Wait wait wait,
Wait wait wait.
Wait wait wait

Walls cave
Turns refuse to waste
Hallways

Knock knock knock, broken lock
I'll just wait in hallway
In some small way, ooh
This can be a pleasurable face

Walls cave
Turns refuse to waste
Hallways

Walls cave
Turns refuse to waste
Hallways

In the hallways
Girl she turns to you to say,
"always"
