In A Dream It Seemed Real

Open up your door for me And let me in Oh, can't you see How cold I am?

You remain there Unabated And you refuse to Let me lose you

Only when I sleep I do

And sounds forming words From the well spring of concern While my boat in that old shun turned On the hull I watched the city burn

In a dream In a dream In a dream It seemed real

Even in the dream I cried I'm the giveaway I could never hide All the sadness inside

Blue, what a funny color to Color you Love is hard to hold onto Only when I sleep, I do

And sounds forming words From the well spring of concern While my boat in that old shun turned On the hull I watched the city burn

In a dream In a dream In a dream It seemed real
