

## Song For Baby

Isobel Campbell

Take your time  
Take it real slow  
It takes time  
You know  
Do unto  
As you would do  
To yourself  
It's not new  
What you reap  
Is what you sew  
Work it - stop!  
Now go  
There are those  
Who will hurt you  
And this just  
Won't do  
And there are those  
Who'll bring you love  
Sweet love  
Listen up!  
You will grow strong  
Wish you luck  
Sing-song  
Stars that shine  
One day maybe  
Yours and mine  
Baby  
And there are those  
Who'll bring you love  
Sweet love
