Willow's Song

Isobel Campbell

Hey ho
Who is there
No one but me my dear
Please come
Say how do
The things I'll give to you,
A stroke as gentle as a feather

Hey ho
I am here
Am I not young and fair,
Please come
Say how do
The things I'll show to you
Would you have a wondrous sight
The midday sun at midnight

Fair maid White and red Comb you smooth and stroke your hair
