

## Autumn Leaves

Isole

Fields shimmering of yellow and red  
The sky so dark and grey  
The wind touches my face so gently  
Rain falls to a wondrous soil

Remembering the light  
Remembering the warm  
Facing the dark  
Facing the cold

The leaves falling from the trees  
Sometimes yellow, sometimes red  
Yet another sign of what's to come  
Naked trees everywhere on the fields

Autumn leaves  
In the mild autumn breeze  
Autumn leaves  
In a landscape of peace

The days are getting shorter  
The nights are getting longer  
The temperature is falling  
The winter is coming closer

Autumn leaves  
In the mild autumn breeze  
Autumn leaves  
In a landscape of peace
