

All Around

Israel Houghton

All around, all around Everywhere I look Your love is all around
All around, all around Everywhere I look Your love is all around

Let the nations sing, let the people shout Let Your kingdom come,
pour Your Spirit out

Manifest, manifest Your love Manifest, manifest Your love

Your love is too deep to navigate And it's too high to climb But
still it's available Time after time, after time, after time,
after time

Your love lifted me It's too deep to navigate It's too high to
climb But still it's available Time after time, after time, after
time, after time

Everywhere I look Your love is all around Everywhere I look Your
love is all around
