It's a new season, it's a new day. A fresh anointing is flowing my way. It's a season of power and prosperity. It's a new season coming to me.

The devil's time is up no longer can he bother me, 'cause the Creator of the universe He fathers me, and it's transferable my children's children shall be free; it's a new season (it's a new season).

If you don't know by now, you need to know it's jubilee, where debts are cancel and your children walk in victory. It's so available to you right now just taste and see, it's a new season (it's a new season).

The new millennium presents a new horizon, and no greater time for us to make a choice and take a stand. All that we need, is resting in His hands; it's a new season (it's a new season).

All that was stolen is returned to you a hundred fold, Tried in the fire but you're coming out gold. Cling to His hand, yes, to every promise take a hold; it's a new season (it's a new season)

Ending: It's a new season coming to me.
