

# Our God

Israel Houghton

Water You turned into wine  
Opened the eyes of the blind  
There's no one like You  
None like You

Into the darkness You shine  
Out of the ashes we rise  
There's no one like You  
None like You

Our God is greater  
Our God is stronger  
God, You are higher than any other

Our God is healer  
Awesome in power  
Our God, our God

Into the darkness You shine  
Out of the ashes we rise  
There's no one like You  
None like You, none like You

Our God is greater  
Our God is stronger  
God, You are higher than any other

Our God is healer  
Awesome in power  
Our God, our God

Our God is healer  
Awesome in power  
Our God, our God  
Ooh, ooh, ooh

And if our God is for us  
Than who can ever stop us  
And if our God is with us  
Than what can stand against

And if our God is for us  
Than who can ever stop us  
And if our God is with us  
Than what can stand against

Ay, ay  
Then what can stand against  
Then what can stand against  
Ay, ay, ay, ay

Our God is greater  
Our God is stronger  
God, You are higher than any other

Our God is healer  
Our God is healer

Awesome in power  
Our God, our God
