

You Won't Let Go

Israel Houghton

Never, never let go
Nothing can separate
Nothing can separate me from
The love that Jesus gave

The love that made a way for me
Your grace took hold of me
And now I walk in freedom
And even if I fall
You said You won't let go of me

You won't let go
You won't let go
You won't let go
Never let go

Oh, oh, oh
You won't let go
I am Yours forever
Oh, oh, oh, oh
You won't let go
I am Yours forever
