

## Starting All Over Again

Israel Kamakawiwo'ole

Starting all over again is going to be rough  
For us, we're going to make it  
Starting all over as friends is going be tough  
On us, we gotta face it

We lost what we had  
That what hurt us so bad  
Set us back a thousand years  
But we going to make it up  
Though I know it's going to be tough  
To erase the hurt and fears

Starting all over again is going to be hard  
But I pray to the Lord to help us make it  
Starting all over again is going to slow  
But we both know, we gonna make it

We gotta take life as it comes  
Never fuss about it, what's right or wrong  
It's an uphill climb, to the finish line  
We gonna try, we gonna try, just one more time

We gotta take life as it comes  
Don't make any fuss about it, what's right or wrong  
We gonna make it up, though I know it's gonna be rough  
To erase the hurt and fears

Starting all over again is going to be rough  
For us, we're going to make it  
Starting all over as friends is going be tough  
On us, we gotta face it
