

White Sandy Beach

Israel Kamakawiwo'ole

I saw you in my dream
We were walking hand in hand
On the white sandy beach of Hawai'i

We were playin' in the sun
We were havin' so much fun
On the white sandy beach of Hawai'i

The sound of the ocean
Soothed my restless soul
The sound of the ocean
rock me all night long

Those hot long summer days
Lyin' there in the sun
On the white sandy beach of Hawai'i

The sound of the ocean
Soothed my restless soul
The sound of the ocean
rock me all night long

Last night in my dream
I saw your face again
We were there in the sun
On the white sandy beach of Hawai'i
