White Sandy Beach

Israel Kamakawiwo'ole

I saw you in my dream
We were walking hand in hand
On the white sandy beach of Hawai'i

We were playin' in the sun
We were havin' so much fun
On the white sandy beach of Hawai'i

The sound of the ocean Soothed my restless soul The sound of the ocean rock me all night long

Those hot long summer days Lyin' there in the sun On the white sandy beach of Hawai'i

The sound of the ocean Soothed my restless soul The sound of the ocean rock me all night long

Last night in my dream
I saw your face again
We were there in the sun
On the white sandy beach of Hawai'i
