

Jah Is The Way

Israel Vibration

Clean hands and pure in heart
Shall see the face of Jah Jah
A total I-nity, brother
Make it Jah love forever

So for the time at hand
Do all the good we can
Be a righteous man
Know where you stand

His glory shall pave
I want to be there
When there's no fog in the air
When it's just love forever
Fire bun you, Lucifer

Jah is like a flowing stream
Wash and be clean
Then you step right in
Jah road forever
Fire bun you, Lucifer

Jah is the way, Jah is the way
Jah is the way, all the time
Jah is the way, Jah is the way
Jah is the way, all the time

Jah is like a flowing stream
Wash and be clean
Then you step right in
Jah road forever
Fire bun you, Lucifer

We livin' in poverty
(?) gravity
Can't get to move Irie
The system is so clever
But it won't be forever

Jah is always by my side
So I could never slide
Oh, what a glorious ride
Jah will provide
Jah Jah will provide

Jah is the way, Jah is the way
Jah is the way, all the time
Jah is the way, Jah is the way
Jah is the way, all the time
