

# Drink About It

## Issues

I feel it every time you make me wait  
I hear it every time your phone vibrates

Drown in my cup, chasing the hurt  
Down on my luck, I'm on the verge  
Blood on your cuffs, I got the key  
But you'd rather lie to me

Oh-oh, why you do that?  
There's a million other things that you're good at  
Singing "Oh-oh" 'fore I spill it  
I'll let your brain run wild for a minute

I see it even through these dark red eyes, yeah  
Believe it, you know I knew this whole damn time

Drown in my cup, chasing the hurt  
Down on my luck, I'm on the verge  
Blood on your cuffs, I got the key  
But you'd rather lie to me, yeah

Oh-oh, why you do that?  
There's a million other things that you're good at  
Singing "Oh-oh" 'fore I spill it  
I'll let your brain run wild for a minute  
Oh-oh, why you do that?  
There's a million other things that you're good at  
Singing "Oh-oh" 'fore I spill it  
I'll let your brain run wild for a minute

I'ma sweat you out, sweat you out (Sweat it out)  
How many times do I let you become all I drink about?  
I'ma sweat you out, sweat you out (Sweat it out)  
How many times do I let you become all I drink about?
