

Rose Marie

It Bites

Rose Marie

I didn't know what love was at the time
I didn't want to stay and tow the line

I don't like it but I guess I'm out of style
I don't know it but I guess that I'm on trial

Won't you let me stay
Rose Marie has gone away today
Won't you let me stay
I didn't mean to hurt you
I didn't mean it at all

Rose Marie

I'll do anything
I'm taking a chance as I walk through the door
Asking you what you take me for

Rose Marie

I think I know what love is now's the time
To take evasive action at the crime

I don't like it but I guess that I'm on trial
I don't like it but I guess I'm out of style

Won't you let me stay
Rose Marie is coming home today
Won't you let me stay
I didn't mean to hurt you
I didn't hurt you at all

Rose Marie

I'll do anything
I'm taking a chance as I walk through the door
Asking you what you take me for

Where you gonna run before you crawl
You'll be growing old before you know
Nothing I could do could make your day
It's easier to take off run away

Won't you let me stay
Lock the door and throw the key away
Won't you let me stay
I didn't mean to hurt you
I didn't hurt you at all

Rose Marie

I'll do anything
I'm taking a chance as I walk through the door
Asking you what you take me for
Rose Marie
I'll do anything
I'm taking a chance as I walk through the door
Asking you what you take me for
Rose Marie
I'll do anything

I'm taking a chance as I walk through the door
Asking you what you take me for
