

Colours Of The Rainbow (Original Mix)

Italobrothers

So damn sure, you wanna look kind
24/7 on my mind
All I ever wanted is to be with you
Make me feel, is so brand new

I thought I can't love no more
Once to many times before
Now everytime I look up to the sky
I've got you on my mind

The colors of the rainbow shine so bright
Everytime I look into your eyes
Is the colors of the rainbow that feed my soul
Over and over, just like you do

Over and over, just like you do

Over and over, just like you do

So damn sure, you wanna look kind
24/7 on my mind
All I ever wanted is to be with you
Make me feel, is so brand new

I thought I can't love no more
Once to many times before
Now everytime I look up to the sky
I've got you on my mind

The colors of the rainbow shine so bright
Everytime I look into your eyes
Is the colors of the rainbow that feed my soul
Over and over, just like you do
