Italobrothers

I say hey  
You say ho  
Turn it up  
And here we go-o

New York, L.A.  
Berlin, say hey  
To Tokyo, Rio de Janeiro  
Here we go, go

Hello, hello  
Can you just feel it?  
Are you ready to go?

Hello, hello  
Do you receive my echo?

My life is a party  
My home is the club  
I party like a rock star  
Dance until I drop  
My life is a party  
My home is the club  
My stage is the dancefloor  
Party never stops

My life is a party  
My home is the club  
I party like a rock star  
Dance until I drop  
My life is a party  
My home is the club  
My stage is the dancefloor  
Party never stops

I say hey  
You say ho  
Turn it up  
Here we go-o

I say hey  
You say ho  
Spin me around  
Like a yo-yo
