Itchy Poopzkid

You are accusing me of being mean lately that I've been pretending instead of depending on what you say or do I break your heart in two your conversation thing drives me nuts one thing that's crystal clear I'll fail my class this year they tell me what went wrong I say "ok, go on" that doesn't bother me I think I'm gonna sleep so would you please leave me alone no time to arque no time to waste just leave 'coz I don't care It ain't my business won't ever be so nevermind oh yeah even in my own room I will be kicked out soon the final warning's told my house already sold no place where I belong no one can tell me wrong there's the door stay outta my life no time to arque no time to waste just leave 'coz I don't care it ain't my business will never be so nevermind oh yeah
